## PANEL PRODUCTS

**Trimac Panel Products** produces top quality laminated and liquid finished panels for customers around the world. Since 1972, our customers have relied on us to provide the best selection, service, and quality available.

### The Right Panel For You.

### *Industrial Panels & Components*

We laminate panels of all sizes with high-quality industrial overlays, including decorative paper and vinyl. Our capabilities also include state-of-the-art UV and liquid finishing. We manufacture high-quality components, specializing in shelving and drawer sides. Other services include cut-to-size, custom finishing, edgebanding, and barcoding. Call us today and give us the opportunity to help you.

### *Wall Paneling*

If you need beadboard, woodgrains, genuine hardwoods, decorators, or tileboard/marker board, you've come to the right place. Select from a large variety of wall coverings to suit every decor and budget. Choose from finished and ready to install, or primed and stainable grades. Finish the job just like the pro's with ExactMatch molding.
